Dear Mr. Uretta:

I am enclosing a carbon of the original story submitted, together with conclusions, as an add to the story, as you suggested.

Also, am enclosing art I hope will be satisfactory.

If you need anything further as far as story content is concerned, please call 485-5771.

Appreciate, at your convenience, a publication date.

Thanks for your courtesy.

Very truly yours,

P.S. Am enclosing a press release on our Animal Airlift. If you are interested in doing a story on the project in the future, I have art at hand. If you're interested in doing some photos for the magazine, I can arrange passage for you on one of the Animal Airlift flights.
