Dear Mr. Rush:

Thank you for your invitation to attend the dedication ceremonies of your new West Valley Animal Shelter on Wednesday, August 5th. I regret that I am unable to attend due to the demands of a heavy production schedule.

As a token of our appreciation for the fine cooperation which we received from the Animal Regulation Department, I am enclosing a segment of our ANIMAL WORLD program "Guardian Angels", which features the animal airlift. We were very pleased with the final results of the program and would like to extend our sincere thanks to your department for helping to make it possible. Because of contractual agreements with our sponsor, I must ask that you sign the enclosed form and return it to us. The form states that this film will not be used for television or commercial purposes.

Again, many thanks for your assistance in this project. I hope that we will have an opportunity to work with your department again in the future.

Yours sincerely,

Wolfgang Bayer.
