Dear Ms. Biggs:

Thank you for your encouraging note regarding Los Angeles' Animal Airlift.

I am sending you a full press release on the operation with updated statistics.

We are happy to know that word on our project is enjoying exposure in the East.

Enclosure: Update Airlift Release

My dear Mr. Mason.

Congratulations on your "Field Annual Air Lift." I think that is a wonderful thing.

A friend of mine, who lives in Grenville, Maine sent me the clipping. The good news is getting around.

Sincerely

Myra Briggs.
